DOCKET NO. 2020-1-E

In re: Annual Review of Base Rates for Fuel Costs for Duke Energy Progress, LLC)))))))	MOTION REQUESTING THAT THE CONFIDENTIAL VERSION OF GREGORY LANDER'S DIRECT TESTIMONY BE TREATED AS CONFIDENTIAL
---	---------------------------------	--

Intervenors South Carolina Coastal Conservation League ("CCL") and Southern Alliance for Clean Energy ("SACE") hereby move the Public Service Commission of South Carolina to treat as confidential, the version of the Direct Testimony of Gregory Lander marked "confidential."

The confidential version of the testimony references responses Duke Energy Progress, LLC ("DEP") sent to CCL and SACE marked as confidential. A confidentiality agreement CCL and SACE entered into with DEP requires that CCL and SACE "not release any Protected Information to any third parties without the prior written consent of DEP in its sole discretion; provided, however, that the Protected Information may be filed with the Commission under seal." CCL and SACE are therefore requesting that this version of the testimony remain confidential. All confidential information has been designated as such in the confidential version by highlighting and/or by a clearly marked "confidential" heading.

WHEREFORE, CCL and SACE respectfully request that this motion be granted.

This 18th day of May, 2020.
